

**DELEGATION AGREEMENT
CONCERNING HOUSING NEEDS ASSESSMENT
BETWEEN THE SOUTHERN CALIFORNIA ASSOCIATION OF
GOVERNMENTS AND (NAME OF SUBREGIONAL ENTITY)**

This Delegation Agreement (“Agreement” herein) is made and entered into this _____ day of _____, 2007, by and between the Southern California Association of Governments, a joint powers authority established under California law (hereinafter referred to as “SCAG”), and the (NAME OF SUBREGIONAL ENTITY), a _____ (hereinafter referred to as “Subregion”), collectively referred to herein as the “Parties.”

RECITALS

The following recitals are a substantive part of this Agreement, and are incorporated herein by this reference.

A. The California Legislature has declared, in Government Code Section 65580, that the availability of housing is of vital state importance, and it is a goal of the State of California to expand housing opportunities and accommodate housing needs of Californians in all economic levels.

B. Counties and cities within California, in order to ensure attainment of the State’s housing goal, are required under state law to adopt a general plan, which must include a housing element, which identifies and analyzes existing and projected housing needs, and enumerates goals, policies, quantified objectives, financial resources, and scheduled programs for the preservation, improvement and development of housing to meet the needs of all economic segments of the community.

C. Government Code Section 65583(a) requires each such housing element to provide an assessment of the “share” of regional housing needs which must be borne by a local jurisdiction, and an inventory of resources and constraints relevant to the meeting of those needs.

D. SCAG is a joint powers authority agency representing six counties: Los Angeles, Orange, San Bernardino, Riverside, Ventura and Imperial; and is mandated by the federal and state law to research and develop long range regional plans related to transportation, growth, waste management, air quality and housing.

E. SCAG, in consultation with the California Department of Housing and Community Development (“HCD” herein), is required to determine the existing and projected need for housing for the SCAG region pursuant to Government Code Sections 65584 et seq. by way of preparation of a Regional Housing Needs Assessment (“RHNA”).

F. Counties and cities use the RHNA to prepare its respective housing element, and specifically, its assessment of its “share” of the regional housing needs.

G. SCAG is preparing the fourth update of the RHNA and intends to submit the RHNA to HCD on or about June 30, 2007. Counties and cities within the SCAG region thereafter are required to prepare and submit their respective updated housing elements to HCD by June 30, 2008.

H. For purposes of preparing the fourth update of the RHNA, SCAG is undertaking a “RHNA Pilot Program,” a program which SCAG is seeking to be codified into state law and streamlines the current statutory process.

I. SCAG is authorized both under current state law and under the RHNA Pilot Program to delegate the responsibility of allocating the projected housing need for jurisdictions with a subregion to a subregional entity by way of a written agreement.

J. Subregion is a subregional entity as set forth in Government Code Section 65584 et seq., is recognized by SCAG as one of the subregions within the SCAG region, and desires to accept delegation of the responsibility of allocating the total housing need for the cities and counties in the _____ subregion, under the terms and conditions of this Agreement.

NOW, THEREFORE, the Parties hereby agree as follows:

I. Parties and Purpose.

- A. The Executive Director of SCAG, or his designee, and the _____ of Subregion, or his designee, are authorized to execute this Agreement and carry out the responsibilities of the Parties herein.
- B. The purpose of this Agreement is to establish the responsibilities of the Parties associated with preparation of the fourth update of RHNA as they relate to delegation of the housing allocation process.

II. Definitions:

For purposes of this Agreement, the following terms shall be defined as follows:

“*Adopted Allocation Methodology*” shall mean the final regional housing need allocation methodology adopted by SCAG to be used in preparing the fourth update of the RHNA.

“*Draft Allocation of Local Housing Need*” shall mean the draft allocation made by SCAG for each city or county within the Subregion, of its share of

the Total Subregional Allocation, which is issued by SCAG as part of the Draft Housing Allocation Plan.

“Draft Housing Allocation Plan” shall mean the draft allocation of regional housing need to cities, counties and subregions within the SCAG region prepared and issued by SCAG as a result of its Integrated Growth Forecast and Adopted Allocation Methodology. The Draft Housing Allocation Plan shall also include the Total Regional Allocation.

“Final Allocation of Local Housing Need” shall mean the final allocation made by Subregion for each city or county with the Subregion, of its share of the Total Subregional Allocation, which shall be issued by the Subregion after conclusion of the appeal and trade and transfer process, as described in Sections V.C and V.D, below.

“Final Housing Allocation Plan” shall mean the RHNA or the final allocation of regional housing need to cities, counties and subregions within the SCAG region adopted by SCAG for submittal to HCD

“Integrated Growth Forecast” shall mean the growth scenario established by SCAG for the Southern California region which ties housing to transportation planning, and which serves as the platform for several of SCAG’s regional plans and projects, including the Regional Transportation Plan and the RHNA.

“Local Housing Need” shall mean the existing and projected housing need for persons at all household income levels, as such terms are defined in Government Code Section 65584(e), that each city and county in the Subregion is required to plan for based upon existing and projected household growth forecasts.

“RHNA Pilot Program” shall mean the program initiated by SCAG to streamline the current statutory process of RHNA. Specifically, the RHNA Pilot Program seeks to utilize the Integrated Growth Forecast, which ties housing to transportation and air quality planning. The RHNA Pilot program also replaces the survey process set forth in current state law with public hearings and workshops, aimed at gathering information and facilitating an open dialogue with cities, counties, subregions and the general public about SCAG’s Integrated Growth Forecast and proposed allocation methodology. Finally, the RHNA Pilot program streamlines the appeal process, and provides for one formal appeal by cities and counties of its draft allocation number.

“Total Regional Allocation” shall mean the share of the statewide housing need assigned to the SCAG region by HCD.

“Total Subregional Allocation” shall mean the share of the Total Regional Allocation assigned to the Subregion by SCAG as part of the Draft Housing

Allocation Plan. The Draft Housing Allocation Plan shall be prepared utilizing SCAG's Integrated Growth Forecast and Adopted Allocation Methodology.

III. Acknowledgement of status of RHNA Pilot Program

It is hereby acknowledged by the Subregion that the RHNA Pilot Program has not been enacted into state law as of the date of this Agreement, and that SCAG is implementing the RHNA Pilot Program based upon reasonable assurances that it will be approved and become state law prior to SCAG's completion of the 4th update of RHNA. The Subregion further acknowledges the risk in undertaking the RHNA Pilot Program without statutory authority. Notwithstanding the above, in approving this Agreement, Subregion agrees to abide by the terms of RHNA Pilot Program to the extent applicable to this Agreement. A copy of the RHNA Pilot Program is attached hereto as Exhibit "A."

IV. Duties of SCAG:

For purposes of this Agreement, SCAG shall be responsible for the following duties:

- A. Furnishing Total Subregional Allocation. SCAG shall furnish to Subregion a copy of the Draft Housing Allocation Plan, which shall contain information regarding the Total Regional Allocation, the Total Subregional Allocation and the Draft Allocation of Local Housing Need for each city and county within the boundaries of Subregion.
- B. Furnishing background information regarding Integrated Growth Forecast and Adopted Allocation Methodology to Subregion. At Subregion's request, SCAG shall furnish to Subregion background data and information regarding SCAG's Integrated Growth Forecast and Adopted Allocation Methodology specific to the Subregion, which may be necessary for Subregion's preparation of its Final Allocation of Local Housing Need.
- C. Review of Final Allocation of Local Housing Need. SCAG shall review the Final Allocation of Local Housing Need established by Subregion in order to ensure its consistency with the RHNA Pilot Program, any applicable provisions of Government Code Section 65584 et seq., and the terms of this Agreement. In the event that the Final Allocation of Local Housing Need established by Subregion is inconsistent with the RHNA Pilot Program, the applicable provisions of Government Code Section 65584 et seq., or the terms of this Agreement, SCAG reserves the right to make the final housing need allocations to counties and cities within the

Subregion in accordance with subdivision (d) of Government Code Section 65584.03.

V. Duties of Subregion:

Subregion shall determine the Final Allocation of Local Housing Need for each city or county contained within the boundaries of the Subregion in accordance with the requirements of the RHNA Pilot Program, or if a matter is not addressed in the RHNA Pilot Program, in accordance with the applicable requirements of Government Code Section 66584 et seq. Subregion's determination of the Final Allocation of Local Housing Need shall be consistent with the Integrated Growth Forecast and the Adopted Allocation Methodology. Subregion shall not utilize a different forecast or allocation methodology. This determination shall be made in a cooperative manner with the affected city or county government, and shall be based upon the Draft Allocation of Local Housing Need made by SCAG for each city or county within the Subregion as part of SCAG's Draft Housing Allocation Plan.
- B. Maintain Total Subregional Allocation. In determining the Final Allocation of Local Housing Need, the Subregion shall maintain the Total Subregional Allocation. Maintenance of the Total Subregional Allocation shall mean to account for the total housing need originally assigned to Subregion as part of the Draft Housing Allocation Plan. By way of example, this means a downward adjustment in one jurisdiction's allocation shall be offset by an upward adjustment in another jurisdiction's allocation in the Subregion.
- C. Administer Appeals Process. The Subregion shall administer and facilitate an appeals process for local jurisdictions within the Subregion seeking to appeal the original local housing need allocation made by SCAG as part of the Draft Housing Allocation Plan. Local jurisdictions shall have no separate right of appeal to SCAG.

- D. Administer Trade and Transfer Process. The Subregion may administer a “trade and transfer process” prior to adoption of its Final Allocation of Housing Need. This trade and transfer process may involve the Subregion facilitating negotiations between two or more cities relating to an alternate distribution of housing allocations between the affected cities. If the alternate distribution maintains the total housing need originally assigned to these communities, the Subregion shall include the alternate distribution in Subregion’s Final Allocation of Local Housing Need. The trade and transfer process may commence before the start of the appeals process and continue until the Subregion’s adoption of its Final Allocation of Housing Need. Trades and transfers may also occur outside of the Subregion provided the Total Subregional Allocation is maintained or accounted for. To the extent that SCAG develops guidelines relating to a trade and transfer process, Subregion’s administration of its trade and transfer shall be consistent with these guidelines.
- E. Compliance with SCAG RHNA Timeline/Submission of Subregion’s Final Allocation of Local Housing Need. Subregion shall comply and adhere to the SCAG RHNA Timeline, attached hereto as Exhibit B. Subregion shall deliver its Final Allocation of Local Housing Need to SCAG in time to be included as part of SCAG’s public hearing relating to the adoption of SCAG’s Final Housing Allocation Plan, unless this Agreement is terminated pursuant to Section IX herein.

The Subregion shall maintain organized files of all public records and materials prepared or received in connection with any official business taken pursuant to this Agreement. Subregion shall also maintain a written record of any administrative proceeding conducted pursuant to this Agreement, whether by tape recording or by other means. Subregion shall make such records available to SCAG upon written request to Subregion. Subregion shall maintain these records for a period of not less than three (3) years after submission of its Final Allocation of Local Housing Need to SCAG.
